---

Jeff,

Do you know where a 100-year flood map/shapefile for San Jacinto might be?

Thanks,

Gary Miller

Subject: 100-year floodplain

Hi Gary,

I have searched every web site I know to look, but I cannot find either a 100-year flood inundation map for the San Jacinto River or ARCGIS shapefiles that show the 100-year floodplain. Have you ever seen one of these?

Thanks,

Earl
